A Vision of Students Today

[Questions](#) [Transcript](#) [Notes](#)

Questions:

This film was made by

- Teachers
- Students
- Teachers and students

The video is

- critical of the way students are educated.
- In favour of less technology in class.
- critical of students attitudes to education.

The makers of the video believe that:

- students spend too long online.
- teachers should use more technology.
- Facebook is evil.

The film makers use a lot of statistics

- because they are powerful.
- because they are not true.
- because they don't speak English.

The screenshot shows a video player with a typing tutorial overlay. The video content is a scene from a movie showing two men in suits talking. The video player has a progress bar at 19/2:56. The typing tutorial overlay is titled "Typing" and has four steps. The first step is active, showing instructions: "Thanks for making subtitles!! It's easy to learn and actually fun to do. While you watch the video, type everything people say and all important text that appears on-screen. Use the key controls below to pause and jump back, which will help you keep up." Below the instructions are two buttons: "Play next 4 seconds" (with a play icon and "tab" key) and "Re-play last 4 seconds" (with a left arrow icon and "shift tab" key). There is also a "Speed Mode" dropdown menu set to "Beginner: play 4 seconds, then pause" and a "Restart this Step" button. At the bottom, there is a "Done? Next Step: Sync" button and a "Need to stop and come back later? Save and Exit" link. A green banner at the bottom of the video player says "To begin, press TAB to play and start typing!".

TOOLS FOR LEARNERS

<http://www.scoop.it/t/tools-for-learners>

The screenshot displays the Scoop.it website interface. At the top left is the Scoop.it logo. The navigation bar includes 'Tools for Learners', 'Edit', 'Customization', 'Sharing Options', 'Analytics', and 'More'. A search bar contains the text 'Scoops, topics, users'. On the right, there are buttons for 'New Scoop', notification icons (3 and 100), and a user profile for 'Nik Peachey' with 430.7K followers and +334 posts. Below the navigation, the main content area features a blue background with a network-like pattern. A central banner reads 'Tools for Learners' with the subtitle 'A collection of web and mobile based tools to help learners exploit the web' and 'Curated by Nik Peachey'. The main content is organized into two columns. The left column features a post titled 'Digital Classrooms - Online Video' by Nik Peachey, rescooped from Learning Technology News. It includes an image of a tablet and a smartphone, and a quote from Nik Peachey: 'I'm just over 80% of the way to my funding goal, but with just nine days left to go.' The right column features a post titled 'viddme - share videos instantly - viddme' by Nik Peachey, scooped from vidd.me. It includes a video thumbnail of a child and a quote: 'Viddme is the simplest way to upload and share videos, no sign up required.' Below this is a quote from Nik Peachey: 'This is a useful free tool if you want to get video online very quickly and simply without having to sign up or register.' At the bottom, a third post titled 'Storehouse: visual storytelling' is partially visible. A 'feedback' button is located on the right side of the page.
